Experience

UI/UX Designer

September 2023 - February 2024

I worked as a UI/UX Designer at **Falcon Solutions**, where my responsibilities include designing web interfaces based on client requirements. Additionally, I create business posters, social media cover templates, and email post designs.

UI/UX Designer - Internship

July 2023 - September

I worked as aa UI/UX Designer (Intern) for **Kutumb**
Aspiration. I designed web and mobile screen as per the client requirements.

Microsoft - (Word & PowerPoint)

Visual Studio Code

Project: Online Bus Ticket Booking

I have designed and developed an Online Bus Ticket Booking website using HTML, CSS. The platform allows users to browse available routes, select seats, and book tickets with ease. It also features a user-friendly interface.
